II. Statement of Claim:

State as briefly as possible the facts of your case. Describe how each of the defendants named in the caption of this complaint is involved in this action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach additional sheets of paper as necessary.

A. In what institution did the events giving rise to your claim(s) occur?

NYC, & Riker's Island

B. Where in the institution did the events giving rise to your claim(s) occur?

C. What date and approximate time did the events giving rise to your claim(s) occur?

I have bills I paid through a Nicole Daniels, Sonata Hatanho, and myself, that were never returned. I had various payrolls for weeks at a time, that D.O.C. never paid me in GRVC, nor did they reduce my debts owed.

D. Facts: I have lost hundreds of calls, & was still charged. Phone calls charged for extended lengths of time where I was not even on the phone. For many years, I was interred on many misdemeanors, yet always strip searched but did not find out about the class action, so was denied redress. I have consistently been a victim of the R.L. Inc. and my claims unanswered. last time 2013.

What
happened
to you?

The only time I can say I was mirandized was for a kidnapping charge (M01000548 Arr.#), no other arrests have been mirandized. Under Robert Morgenthau", and the current D.A., I am consistently charge way beyond what is fitting for my arrests, in a bid to force plea acceptance from me. Many of my cases, my right to testify before the "Grand Jury" is waived without my permission, and the D.A.'s office will manufacture indictment or merely lie and refuse to R.O.R. me on 190.80 dates. Even when they have proof of my innocence, they will deny my right to "due process of law". My last 3 cases, now included, the Manhattan D.A.'s office has hidden witnesses in my favor, refuses to produce video evidence etc. As a matter of fact, my last time before the "Grand Jury", the A.D.A. deliberately lied about details in my previous trial to gain an indictment illegally. Many of my cases, start misdemeanors, and the D.A.'s office distorts facts and add false statements etc. to the case to justify felony charges. I am also being "punished by bail" #having latenesses to court.

III. Injuries: being construed as warrants falsely. (Continued on back of 3)

Was anyone else involved?

Who else saw what happened?

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received.

My reputation is virtually destroyed, my sense of worth, my pre-existing conditions go untreated due to sub-standard care and incarceration in D.O.C. D.O.C. does not answer my foil requests, preventing my redress. Securis and the other phone companies are always cheating me of phone calls, and or monies, yet keeping a running tab with no corrections. These agencies, including the D.A.'s Ofc., and NYPD are agents of NYC, and have specific harms, pertaining to each agency afflicted against my person. Some of which;

IV. Exhaustion of Administrative Remedies: are egregious, others out right fraud.

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted." Administrative remedies are also known as grievance procedures.

A. Did your claim(s) arise while you were confined in a jail, prison, or other correctional facility?

Yes ☒ No ☐

I have never been given a preliminary hearing, which is my right and have to refuse verbally on the record, yet have never even been told about these rights. Regardless of my injuries and poor health, I am being housed in a bldg. embroiled in a gang war, where even my age is an excuse for abuse by officers and prisoners. My property has continuously taken for safe-keeping (cane, knee braces, sneakers etc.), and I'm either not given a receipt, or the items are lost or stolen. I even sent in claims with copies of the receipts, and never received claim #'s, nor does there seem to be a record of the claims I sent in. There were also, several grievances sent in at C-73 (GMDC), but mysteriously there are no records ~~being~~ sent in response to over 8 Foil requests. They are simply ignoring and obfuscating my attempts at reparations. NYC, its agents, agencies, and or employees there in, on a regular basis seek to deprive individuals liberty, equality, constitutional and human right protections or status. Those in care of D.O.C., are systematically put in physical danger, by its negligence, poor management and deliberate indifference, to their status, age, health, or needs. The Criminal court system, and especially NYPD, and the D.A.'s office go out of their way to illegal detain minorities, without mirandizing them, or charging them fairly... so as to deliberately, convince Judges to place astronomical bails, sometimes 100's of times what he or she can afford for trumped up street fights etc. with no real injuries. ~~Legal Aid at~~ Legal Aid is allowed to waive detainees rights to "Grand Jury", by Judges, who also allow A.D.A.'s and D.A.'s in Manhattan, to lie, use deceptive tactics, and falsely claim people are indicted, when they are not. All these factors together poison the process, and are "Cruel and Unusual punishment", as well as a variety of serious violations to my life and liberty.

If YES, name the jail, prison, or other correctional facility where you were confined at the time of the events giving rise to your claim(s).

GRVC, GMDC, 125 White St.

B. Does the jail, prison or other correctional facility where your claim(s) arose have a grievance procedure?

Yes ☒ No ☐ Do Not Know ☐

C. Does the grievance procedure at the jail, prison or other correctional facility where your claim(s) arose cover some or all of your claim(s)?

Yes ☒ No ☐ Do Not Know ☐

If YES, which claim(s)?

Loss of phone calls, owed payroll from D.O.C., lost or stolen property

D. Did you file a grievance in the jail, prison, or other correctional facility where your claim(s) arose?

Yes ☒ No ☐

If NO, did you file a grievance about the events described in this complaint at any other jail, prison, or other correctional facility?

Yes ☐ No ☐

E. If you did file a grievance, about the events described in this complaint, where did you file the grievance?

in all the relevant locations, Pay owed (GRVC), loss of Phone calls (GMDC) lost & stolen property

1. Which claim(s) in this complaint did you grieve?

All that pertained to D.O.C.

2. What was the result, if any?

No result, told to write other agencies or they were ignored.

3. What steps, if any, did you take to appeal that decision? Describe all efforts to appeal to the highest level of the grievance process.

Don't Remember

F. If you did not file a grievance:

1. If there are any reasons why you did not file a grievance, state them here:

2. If you did not file a grievance but informed any officials of your claim, state who you informed, when and how, and their response, if any:

- G. Please set forth any additional information that is relevant to the exhaustion of your administrative remedies.

I have sent numerous complaints in letter form, to "Prisoners Rights", ACLU, the NAACP, the "Dept. of Investigation", Legal Aid, various judges and agencies including the "Inspector and Attorney General's Offices". I also joined the "Inmate-Council", and have sent foil requests to various agencies and have received almost no response, for the Volume of foil requests.

Note: You may attach as exhibits to this complaint any documents related to the exhaustion of your administrative remedies.

V. Relief:

State what you want the Court to do for you (including the amount of monetary compensation, if any, that you are seeking and the basis for such amount). I would like my account debt at \$0. I am requesting the right of detainees being given "due process", including citizens being Mirandized, and advised of and of being given preliminary hearings enforced. All agencies mentioned be held accountable for their numerous bad acts, negligences, & missteps, deliberate or otherwise. My lost & stolen items paid for, and whoever is responsible for answering "foil requests", who refused to do so fired. For being forced to live in fear, the embarrassment of being strip searched on camera, & at random, and for being housed in a dangerous bldg., not medical housing where I belong, forcing me to forego medical treatments to avoid gangfights etc., I am suing for \$5,000,000. My PTSD, Manic Depression and my physical ailments have been worsened 3x over.
